

**2023 GRANTS AVAILABLE FOR POWESHIEK COUNTY** through the Greater Poweshiek Community Foundation.

The Poweshiek County Alliance (PCA) granting program fundraises and distributes grants which address needs and foster vibrant communities throughout Poweshiek County. Through a flexible, accessible, and responsive grant application, PCA grants help build relationships and address community needs through annual grant disbursements. We value local organizations carrying out community betterment activities. We value transparency and simplicity in our granting process and our role in oversight and due diligence as the grantor. We value all needs associated with charitable organizations. We value private and public support for grant programs.

Approximately \$175,000 will be distributed in 2023 through a single application from a variety of funding sources. No application will be rejected solely on the amount requested; however, we anticipate supporting individual requests up to but no more than \$10,000.

If you have any questions about any part of your grant proposal or the application, please contact Amy Blanchard or Nicole Brua-Behrens. Contact information is included below.

## WHERE DO PCA GRANT FUNDS COME FROM?

Poweshiek County Alliance (PCA) grants receive support from several funding sources.

- **County Endowment** funds are allocated annually by the Iowa Legislature from a portion of the state gambling revenue. 75% of the annual allocation is used to make grants while 25% of the allocation is added to the PCA endowment.
- **Community Fund for Poweshiek County** funds are allocated annually through a disbursement from the Community Fund for Poweshiek County Endowment Fund. Individual donors contribute to the Community Fund endowment and the disbursement is unrestricted.
- **Carl and Joann Orr Fund** grants are allocated from the charitable remainder unitrust from Carl and Joann Orr. Disbursements from this endowed fund are awarded solely for projects that support physical/mental health, legal assistance, food security, and the housing needs of at-risk individuals and families in the Grinnell area.
- **Brooklyn Community Fund** grants provide support for Brooklyn area charitable organizations and public entities.
- **Montezuma Community Fund** grants provide support for Montezuma area charitable organizations and public entities.
